Meeting [REDACTED] tomorrow, will ask her about friends. Also [REDACTED] tomorrow if she has time (she has been looking for an apartment to move out). I connected on skype with [REDACTED] last night and we are supposed to talk today - I like the way she looks but have a few concerns (she is connected to a few people on Facebook with bad reputations).

I haven't been talking much to Pen (in case I am going to paris and I won't be able to Facetime him - not to look suspicious)

TextBest got additional 1m (Pen's and his Dad's contacts have already wired the money) Earlier he had told me that once TB gets money, I am supposed to be getting a 100,000 salary (I have the written proposal from Peter, Pen's partner) - I don't like the idea because of 1) the conflict with the foundation and 2) my visa
Another option that Pen has suggested included
Me getting paid through the new foundation - he is happy to put some money into it once Image One sells (Kunal said this summer, but I don't trust anyone).

I would be concerned if he doesn't propose after Image one, I made it clear that 2 years is a deadline. He said he understood.
