Hi Jeffrey! Sorry to bother, its a new email of Sanita, Kira and the rest of my group. If you have any
idea's what to do today-tom while boss is in town and requested to see me at the game. last time my
appologies at the game made things much much worse. I think its better to see him private before the
game, but question is what to say in order to stop this and not make it worse. If you can put yourself in his
position and advise something would be great... If i will not see him tomorrow Brooklyn might loose
playoffs and he will not come to America in a while....

If not, i understand, but its just soooo very important and we dont know what to do.

If you will help Kira personally agree to do massages))
