Confirming the Ranch was hit by Spring Storm on Thursday,
Damage to the Roof of the wood workshop was sustained, attached video.

Microwave link, both Data and Phone is Down.

Future Tech have been contacted, they plan to remote access link and on Monday to determine issue.
The Verizon LTE back up service did not switch over, I have reached out James regarding this matter.

Noting with no Network, I have had to shutdown the HVAC system to the Main House.

I will update on progress later next week.

regards Brice
