Jeffrey, [REDACTED] wrote me telling me about the phone. Thank you very much..

I also wanted to tell you that the money you gave me in September is almost finished and I don't know how I will buy food and pay the rent... Unfortunately I'm still not able to support myself

The other thing is that I still have a luggage that I have to take back from your storage. Could I meet with Valdson somewhere so I can take the rest of my stuff back or if he can leave it to the porter ?

Let me know..

Thank you

Jeffrey,

how are you ?

Yesterday night they stole my phone at a nightclub... I had everything on it.

I tried to find it through iCloud locator but it says it's offline so [REDACTED] going to do the reinitialisation now so that no one can access my content.

I also kept the codes of my online banking on it and don't know how to check my banking statement now. I will call the bank tomorrow and ask if they can give it to me by phone, if not I will need to go back to Rome to get my codes back.

I've almost finished all my money I think, and I can't buy a new phone.
