Not yet. Was supposed to go into surgery at 11am but did not go in until 12:20. Expected to be done around 2pm then they watch her for 6 hours then we go home. Pathology follows 4-5 days later.
Thank you.

What do Renato and or Januisz say is the main purpose of truck. From my understanding of tropical items there are very few instances items could not fit in suburban or Denali. Are luggage runs the main issue or future work to be done st the house? Please advise.
