Dear Mr. Sultan, Isti and Jim,

Dr. Cara Agerstrand will be the primary point of contact except when she is away on vacation next week. Susan Tanzi Pfeifer is our ECMO Program Manager and is central to our operations (and everything we have done so far with the transfer) and will, no doubt, be very helpful to you with anything you need. Brian Van Velzor will continue to help with all logistics as well from the hospital side.

We recognize that it is difficult to have her so far away until such time as you are able to obtain visas and visit. So it will be important to ensure that you are update on any changes in her condition.

Please feel free to reach out to our team if we may be of any help or if you have any questions or concerns. We are very grateful that the transport went so well thanks to Drs. Bacchetta and Agerstrand as well as an outstanding flight team. It is our hope that we are able to affect a measure of recovery, as difficult as that may be.

Best regards,

Dan
