[REDACTED] is asking for all my previous immigration paperwork

1. [REDACTED] won't call me back and makes excuses when I reach him as to why he can't speak to me.

Darren didn't return my email.

2. And I am guessing this may have something to do with 1. Is this stuff safe to give out. For example the last forms we got back I would be wary with. Not necessarily for me but [REDACTED]
