LSJ to Napa County airport is 7+20min (-12headwind only at this time)
Last time we flew into Napa was 2011 in GIIB
ILS approach to runway 36 only,
***would prefer day light landing since Runway is 5930x150 if we take B727

I'll check if there is airport restrictions for large aircraft into Napa as well.,

There is an airport in Sonoma called Santa Rosa airport only 5150x150 would have to be GIV trip.,

Thx
Larry
