Im ok with that in general gary, but it is relly not fair that since june i have asked for things , msi was paid, nothing has been built. i not only gave him a job, as per jerry , even though he was to be paid only 100 k, if he stayed at landmark, I have been more than fair.   i have no master plan, no irrigation , no superviosr, no road layout , no overlays. i want to be fair,   rich how much have we paid since inception including msi

Rich told me that you paid Landmark for me only.Stephen is due to come in next week.If he is not going to be paid he should not come and i have a problem with how we proceed with CZM and the site work.I think we should pay him thru march which should get us thru the submittal then let him go.Lets talk.

Gary
