STEVEN WILSON REMIX: CHICAGO II

USE CODE **HD29JAN** TO SAVE 15% STOREWIDE

Chicago II has been remixed before, but never like this. For the first time, a stereo remix from the 16-track multi-track tapes made it possible for Steven Wilson to bring out elements that were muffled or submerged in the mix. The result is a new stereo version of Chicago II that boasts clearness, punch and definition that it didn't have before. Available in 96kHz/24bit!
