I obtained the following information: it was paid by wire transfer on June 6th and "Mr. Epstein" (or someone representing him?????) came to collect the object after payment. I could not obtain the name of the person who paid nor a copy of the invoice and of the receipt to see who came to collect the object. I was told to ask Mr. Epstein himself!!!!

See attached a photograph of the object.

Maria (Valdson's wife) called last week about the "bordereau" received from COLLIN BOCAGE dated May 27th 2016 - see attachment - and was told that a registered letter was sent to Mr. Epstein for non payment. Valdson is due to try and get this registered letter from the post office.

Best regards.
