Thank you so much for your generosity and care.. I appreciate your wish to help me a lot!  
I made a decision to start studying from September - that's the earliest possible. I've started exploring - now I am researching information about different Universities and preparing for applications. i am also considering universities in US... Bu in order to apply to a school or a job first I need to prepare my [REDACTED] portfolio-which I started working on now and it takes time to complete it. Then I will apply to different schools to have more possibilities.
