Message:
Hello Lawrence,

My name is Christine, and I am from Bray Entertainment. We are a production company based in NY. We are currently working on a documentary series and we would like to do an episode on the Jeffrey Epstein case. We want the show to tell the story from both sides. I understand that you are a friend of Jeffrey's and we would love to hear your side of the story. I would love to talk to you more about it. The deadline for the show is coming up, so unfortunately this is time sensitive. Please contact me at your earliest convenience. My email is [REDACTED] and our number is [REDACTED]

Best,

Christine Stirrat
