On December 3rd of last year I supplied address for delivery of paper certificates. There was a further email telling me certificates had been sent back to the transfer agent which it looks like I did not respond to. NO EXCUSE but we were crazy busy at the time. We had year-end planning we were trying to get done before Ada went away for the holiday. Rich D literally arrived that day. We were getting ready to move from 730 Fifth Ave here. In any case, shares are with the transfer agent. However, they have more than just our shares. Last week they were trying to figure out who the other shares belong to but will proceed to carve off our shares and deliver. Rich D will be back today. Will advise when we can sell once we have visibility.
