Jeffrey,

What kind visas do these ladies currently have? Ms. Todman said that the I-20 is only for persons in a degree program (seeking a degree) or an exchange student (getting a degree in their country and just doing a semester here). She said that they will not need an I-20 if they already have a work visa and they can take the ESL class without the I-20. She was clear that no I-20 would be sought for them by UVI if they are not in a degree program. Perhaps they can enroll and take at least 12 credits towards a degree? What would you like to do?

With warm regards,

Cecile

I believe applications should go to Barbara Todman; she is well acquainted with the procedures for international students.

She can be reached as follows: phone: [REDACTED] or email: [REDACTED]

Please let me know how things go.

Good afternoon Dionne,

Thank you for this information. From what you sent me, it looks like the total cost for the course (for up to 10 students) is \$8,868 which we will pay. We have two students to enroll. To whom should we send the applications? Once UVI receives the applications, the two students will need to get an I-20.

With warm regards,

Cecile
