The four investments (Apollo RE Advisors III, Apollo RE Advisors IV, AREIF III Co-invest, AREIF IV Co-invest) distributed cash in 2015 that is in excess of their respective 12/31/2014 K-1 capital account balances. Rather than to show zero, the customary reporting is to leave at \$1 so that these assets appear on the financials rather than zero). For other assets that have negative capital accounts (excluding allocation of liabilities), similar reporting of \$1 is used.
