I'm a married software engineer with no kids living in Bangalore. I've been offered a 120k (including bonus) salary in Atlanta, GA. How much can I expect to save?

Harsh Garg, DataScience | PredictiveAnalytics | SAP | RealEstateInvestor
219.7k views

Rule of thumb, if you are married with no kids, you should expect approx. 5.5% to 6% net salary (after tax)per month in your pocket. so in a salary of 120k you will get ap... Read More »

Can a person born by Caesarean section become president of the USA?

Mark Harrison, Running technology at FundingKnight
237k views

It would be ultimately up to the Supreme Court whether such a challenge would be entertained.

However, the Congressional Research Service has published a working definiti... Read More »

Why are incarceration rates in the US so high relative to other countries?

Valerie Jarrett, Senior Advisor to President Barack Obama ✔
107.7k views

Great question. There are a number of reasons, from a lack of investment in schools and economic opportunity, to draconian drug laws and bail policies that criminalize pove... Read More »

Computer Programming: I've heard that Google may recruit programmers based on their search queries. Is that really true or just another hoax?

Yes, it is absolutely true and has happened with me. I tried searching for "Hashtable java" and the Google screen tilted (as shown in the image attached with the question).... Read More »

My son got an offer from a 1-year-old startup by some very senior folks from Google. The pay is good and product idea is good, but it's a startup. He asked for our advice on this. What are some suggestions from people from relevant fields?

Get your son to put in his 2 weeks notice. Whether you realize it or not, your question has a wealth of information that makes this decision a **no brainer.** Here's my assessm... Read More »

What is Taylor Swift like in real life?

I met Taylor at one of her 1989 Secret Sessions. I was invited to her home in Watch Hill, Rhode Island to her the entire 1989 album before it was released and to hang out w... Read More »

What is the craziest thing a parent has said in defense of their child?

I have an older coworker who had a "surprise" child later in life. She's also a bit of a conspiracy theorist (which she denies). For example, she believes in chemtrails and... Read More »

Why don't the restaurants tidy up before Gordon Ramsay arrives for shooting "Kitchen Nightmares"?

 Adam Rauscher, friendly guy
271.1k views

Having worked on several episodes, and being very familiar with one subject restaurant before and after Kitchen Nightmares came, I feel like I can give a good answer.

The... Read More »

What's the difference between Chinese high school and American high school?

 Younmin Bae
144.7k views

 I believe I am in a unique position to answer this question since I've attended both Chinese and American high schools (I am Korean by the way).

There are many differenc... Read More »

What is an example of some high level programming, something only a genius could do?

 David Hayden
199k views

I've been programming professionally for 25 years. Some examples of really great code that I've seen:

1. Code that actually works. Every time. Under all circumstances. Near...
