Jeffrey

i am in New Jersey now doing my Foundation taxes and moving north to New Brunswick for a couple of days and then NYC to see my latest grandson—i will be in FLL Monday until Wednesday back to Jamaica; would love to spend some time with you—alone among my friends you have gone through as much as i or worse but we have rarely discussed the details; was VERY low for a couple of weeks in Jamaica—suicidal, that is to say, homicidal, making a rank-ordered list of whom i would kill or first; couldn't imagine anyone on your list besides perhaps a lawyer (one on my list) but then i don't really know you

spend some time dealing with jobs and job opportunities, CUNY perhaps, U of Kentucky at Lexington, Oklahoma in Stillwater (kind of hard to imagine, although it is a completely open-carry state so you'd be armed against them

all best to you, what about that island of yours?
