If Fisten is not a former FBI task force person and is the investigator for the civil attorneys and Rothstein, we should point that out and demand a correction whether it is the Mail or not.

in todays mail article they quote Mike Fisten, as a former Fbi task force person, IN actual fact he is the investigator for the civil attorneys Brad Edwards.. and he , Fisten also worked for Rothstein, the lawyer in jail. The couple interviewd, Miles and CATHy are obviously in breach of their confidentiality agreement. looking forward to seeing your draft.
