Good Night Boss

Terrence is to start the integrating the tower into LSJ main network Tuesday 1/27 to 1/29 and his new completion date for full completion is 2/6. I emailed Danny today requesting the new circuits necessary for the flag pole pool audio system. I will organize with Randy the landscaper to help me start burying the cables on Wednesday 1/28. I am also in communication with Larry in finalizing the new rack for the equipment. He will be in the audio stores tomorrow. Once the new rack is on its way I will disassemble the system and organize with Anna and Pookey to remove the cabinet.

Also sir should I start looking for a mount for the curve?

Regards  
JRuan
