I'll ask Gary to fwd more info:

Larry
yes...his name is Alexey Fedoricsev, he used to own a few pro soccer teams in Europe (what Russian mogul didn't though right).

What we do not know yet is which actual property he is buying, but that will come out as soon as we have an interested lender.

Larry,

A couple of things.

Do you know the hangar dimensions required for the Boeing.

Do you foresee any issue showing it in PBI over the next 10 days.

Do you still stand-by your original comment with respect to the budget of \$750-1.0 million over a 7 year maintenance cycle? prospect asked us to re-confirm

On a different note, we have a client who is purchasing a property in Palm Beach for \$70M and he is looking to finance approximately 50% of the purchase price.

Would JE know anyone who would be interested to look at this deal?

The client currently has a Global Express financed with CIT who fully vetted him, but CIT does not do real estate so they referred him to us. The client is a citizen of Monaco and his fortune was made in shipping ports as well as Fertilizer and Sulfur.

Please let me know your thoughts on both!
