Subject: Passport Card Requires your 10 Year Passport!

Date: Fri, 07 Oct 2016 13:47:52 +0000

I just rec'd a call from G3 telling me in order to get a passport card, they must have your 10 year passport not your 4 year passport. They can over night your 4 year passport back to us (Sat. delivery to NY?) but we need to get the 10 year passport out to them today if possible...

Would you like to continue the process and send your 10 year passport to them (they will receive Tues because they are closed Monday for Columbus Day) and I will ask them to Fed Ex for Sat. delivery your 4 year passport to 71st Street...Please advise...
