 **OMNIVORE SALT—A family recipe that makes food taste better****OMNIVORE SALT—A family recipe that makes food taste better**

By Angelo Garro

It's not every day that Werner Herzog narrates and co-edits a Kickstarter project video, but hey, it happens! Herzog brings his unique style to [Omnivore Salt](#), a unique blend of salt and spices created by his friend Angelo Garro. They say Angelo's salt is so good that Alice Waters brings a bag with her wherever she goes.

 **The Altered States of America – Silkscreen Print Project****The Altered States of America – Silkscreen Print Project**

By Chop Shop

Paying homage to pop-culture legends and trivia, this map reconstitutes the American landscape through the lens of sci-fi and fantasy — from King Kong on the Empire State Building to "Body Snatchers" in San Francisco. It puts fictional characters and stories in their real-life locations, flipping reality on its head, and making for quite the visual extravaganza!

By Sea Wolf

Speaking of great project videos, Sea Wolf pulls out all the stops for this new project! Rubik's Cube? Check. Sea Wolf impersonator? Check. Lab-coated scientist? Check. It's a simple lesson in making a charming and fun video, and sets a precedent for what's sure to be a great new record!
