Good day Boss

The big satellite dish is connected to the Dish Network receivers that are in Sam's place and Anna's cottage. There are apple TV's in Sam's place and the cottage.

Most of time, those who have stayed in Sam's place use Dish Network vs Apple TV. I don't know exactly why, but I speculate it may be because stuff like sporting events or news are easier to access rather than using the apple TV. Though, live sports and News can be access once the necessary apps like NBA.com, ESPN.com, WatchHBO, etc have been actived with a subscription like Netflix.

Regards
Juan

The satellite dish for Anna's cottage and Sam's Place is very corroded and will eventually collapse. Do I have permission to replace this with a 2' roof mounted dish to be mounted on the cottage roof (Estimated cost \$300 to \$400 dollar for the unit and \$125 for installation)?

Juan
