Dear jeffrey

Thank you for the text.

Concerning the 28th – there is nothing special or urgent right now. I understand that you are going to Europe and you may be occupied. We are not going to Europe right away or have any plan.

Just keep in mind that around mid February, we will be free.

Best

nili

1. perception of why now. ? 2. politics, has become more about popularity then leadership. , vision, execution. (however, people still choose a surgeon , based on his ability- with a scalpel , not on his like-ability) . 3. Will continue to be available for counsel , IF ASKED, for the next generation. 4. have been asked to stay as minister of defense during this uncertain time , and recognize that some in my own party will feel let down if i accept this offer. 5. I intend to devote 100 percent of my time to keeping the country safe, rather than spending the same time campaigning for votes. 6. There are many ways to serve my country, I have done so in many capacities. and will continue to do so , potentially more effectively considering the new realities.

nilli , I can meet on the 28th if ehud needs . or if you come to europe afterwards. (vienna?) .
