I'm free all day as we're switching our schedule to nights.

Night shooting, 7:30pm - 5am.

7:30pm - Beth jump off horse to aid Edge

9:30pm - Gallows, townsfolk hang Little Bill (villain) Edge shoots him before he dangles.

Come by anytime, one caveat, the early piece is just an hour of filming and there are a lot of mosquitos. The second scene is in the town and shouldn't have a mosquito problem.

Yesterday sucked, this weather really has been a challenge!

Best,
Barry J

Brutal, we just shut down until tomorrow. I'm stuck here at set until I know my family's flight takes off from ABQ to LAX in the next hour or two. Ugh!

BTW... I have a great guide here that can take you and the girls rafting if you like, went on Saturday.
