## Does Israel "Occupy" the West Bank?

In politics, words matter, and, unfortunately, the misuse of words applying to the [Arab-Israeli conflict](#) has shaped perceptions to Israel's disadvantage. As in the case of the term "[West Bank](#)," the word "occupation" has been hijacked by those who wish to paint Israel in the harshest possible light. It also gives apologists an excuse to describe terrorism as "resistance to occupation," as if the women and children killed by suicide bombers in buses, pizzerias, and shopping malls were responsible for the plight of the [Palestinians](#).

### The Times of Israel

## A Clear-eyed American View of Palestine in 1939

Israel's detractors would have you believe that U.S. support for the establishment of [Israel](#), and the [special relationship](#) that has evolved in the succeeding decades, is something new, contrary to U.S. interests and a sole function of the mythically omnipotent Jewish lobby. This is nonsense.
