We've been told that Mr Epstein managed money for - or provided financial advice to - Sarah Ferguson, in addition to paying the sum of money to Johnny O'Sullivan, her former assistant. Is this correct?

I'd be very happy to talk on background/off the record if you'd prefer.

Thanks,

Jon

Dear Mr Black,

Would it be possible to discuss a couple of questions I have about Jeffrey Epstein?

Thanks and best wishes,

Jon Swaine
