Jeffrey,

I haven't ruled out a Bell 427 as a twin engine heli for LSJ, I need to look at performance, Toy Store has a 2009 brand new with 27 hours, ask 4.3M I'm going to look at it today since its next door to Edwards in lauderdale, our price 3.3M and maybe could be bought for 2.9M,. Larger cabin then 407,.

-down side;

Not IFR machine

No auto pilot

Not in current production any more.

I was told Bell offered 2010 B427's at HAI heli expo for a blow out price of 3.55M,.,since Bell still has some green 427's left in inventory,.

Plus Morris has a 1992 GIV that is suppose to be real nice,with ASE for SP mod,,I'll get specs for you, plus they'll take the c+ in trade, if our deal goes through,.

Just a thought, photos later today

Sent via BlackBerry by AT&T
