Driving straight to the heart of the matter, I believe the continuing press on Mr Epstein is in large measure part of a blatant attempt to game the legal system by a lawyer who is defending himself against a civil action brought by Mr Epstein and by newspapers who love and need a sensational story to sell papers regardless of any truth. Providing any balance to the reporting or detailed context would of course serve to undermine the story and by extension make it less interesting. Trying to tie Mr Epstein's story to Prince Andrew is part of that larger plan.

You must be aware that Mr Edwards,' the lawyer who continues to promote this story was the partner of Scott Rothstein. Scott Rothstein was just sent to jail for 50 years for creating false allegations against Mr Epstein and others and then using those allegations to obtain money by deception. You know that Mr Rothstein destroyed people's lives with his fantastic and untrue suits and that in pursuit of his evil, greedy plans including forging the signatures of judges .. Rothstein's plea related to, AMONGST OTHER THINGS, CREATING AND PROMOTING fake legal settlements AND SELLING interests in those settlements TO UNSUSPECTING INVESTORS. Rothstein engaged in these CORRUPT ILLEGAL AND SHAMELESS SCHEMES UNDERNEATH THE UMBRELLA OF A LEGAL PRACTICE TO STEAL MONEY. HE, AND OTHERS IN HIS FIRM, DEMONSTRATED AN EXPLOITATION OF THE U.S. LEGAL SYSTEM THAT USED AND CREATED FAKE 'VICTIMS' TO PROMOTE HIS ILLEGAL AND LIFE DESTROYING , FAKE SUITS. FBI Investigations continue into the now defunct firm, those who worked for the firm, and many of the ex partners of Rothstein's firm are subject to legal and civil proceedings.

[REDACTED]' civil suit against Mr Epstein, along with her allegations in it, emerged IN THE PUBLIC DOMAIN at the time that Scott Rothstein was creating HIS false claims. If you write a balanced article, you will be bound to record that Ms [REDACTED] has made years pReviously sexual harrasment claims against people other than Mr Epstein and that they were investigated and dismissed for her lack of credibility. You will also, presumably, draw attention to the fact that, prior to filing her civil suit against Mr Epstein, and long after she allegedly ceased to be employed by him as a masseuse, Ms [REDACTED] fled the US to avoid being arrested and presumably be sent to jail for grand theft. Also I think it is probably fair to mention that she

has been paid a large sum of money by at least one British national newspaper, aside from any other monies that she has received, which represents a further incentive to make any claims that would help keep her name in the public domain by attempting to link her to Prince Andrew and have what she has to say be worth any money to those seeking to use her for their own means. All in all, given her record, which includes a number of other highly colourful events, (of which I have no doubt you will be aware and will reflect) I would hope you will treat what she says with great scepticism.

TO this point Ms [REDACTED] was I believe actually 17 and living with her fiance when Mr Epstein first employed her as a Masseuse. Of course, I've seen the photograph of the Duke of York with [REDACTED] but I have absolutely no recollection at all of the photograph being taken.

I've met the Duke of York on a number of occasions but whenever I've seen him he has been fully and properly attired and I have no [knowledge](#) of naked pool parties.

As to my relationship with Mr Epstein, I can tell you that I do not share any homes anywhere with Mr Epstein; he does not support me in any way at all. For the record I had in fact, until very recently, been in a committed and happy relationship for the last seven years with someone else. Mr Epstein's guilty plea and the circumstances to which that related occurred many years after our relationship had ceased.
