Akin requested through IRS portal <http://www.irs.gov/Individuals/Get-Transcript> - Transcript mailed to 760 Park

Josh COO is waiting to explain Heritage adjustment to Josh – Josh travelling until end of month. Would you like me to reach out to the CFO at Josh's family office?

Vincent:

The IRS would only send a transcript if there was a request by an authorized party, eg a voice request to IRS under POA. I am trying to trace exactly the authority granted to Akin with regard to taxes; each POA has stated purposes. Or perhaps Akin requested through IRS portal <http://www.irs.gov/Individuals/Get-Transcript>

I appreciate if you could clarify.

And note, I do not wish to hold up your efforts going forward given the strict deadlines.

Thanks

Rich, as far I know we do not have a POA for gaming purposes. That being said, if you feel comfortable handling requests for Leon's tax transcripts in house going forward that is fine with us. Further to that, we just ask that the request be handled expeditiously as it takes between one to two weeks for the IRS to send and we are dealing with very tight deadlines in relation to the gaming applications. We will provide you with advanced notice at the time of need.

Additionally, when you get a chance, could you please pass along more contact info for yourself and Rich D'Agostino, like telephone numbers and addresses (if not at the Elysium offices)? See my info below.

Also, per Roman Rogovoy's email on Friday afternoon, you should now have permanent access to the Akin FTP server going forward which will make transmission of materials easy and secure.

Thanks again for all the help.

Vin

Thank you very much. In the future I'll make sure you get the heads up when we request these. They usually send to the taxpayer's home and in Leon's case they send to you guys. We have to order these twice a year as a requirement for Leon's renewal applications for two jurisdictions in Illinois.

I am working on getting you permanent access to our ftp server. Will let you know when that's set-up.

Once again, thanks for all of your help.

Vin

Rich, can you please let me know when we can expect this? As you know, we need to get these materials out to the regulators today.

You should have access to the ftp server now, if needed I can swing by the office to pick the materials up.

Thanks,

Vin
