Good Morning,

Thank you for the quick answer, however we might not make ourselves understood.

You wish a decoration project, so to be able to adapt the porcelain room decoration to mr. Epsteins dinning room It's needed a contour map of the room ; one showing the plan and another showing the elevation . It shall be specify the dimensions of the current room, and were the windows and doors are place because otherwise accuracy can't be assured.

Looking forward to hearing from you

Greetings

Hello [REDACTED]

Mr Epstein requested that I send you drawings of his dining room in New York. The dining room is on the bottom left of the floor plan.

I know the quality of the image is not very good. I will try send a clearer image shortly.

Thank you
