Dear Ms Staley

TITLE: Achieving resonance in the advanced LIGO gravitational-wave interferometer
AUTHORS: Ms Alexa Staley et al

I am pleased to let you know that your Paper has now been published online, and is available at <http://stacks.iop.org/0264-9381/31/245010>

Please cite your Paper as:

Class. Quantum Grav. 31 (2014) 245010.

As this article has now been published, no further proof changes can be made.

You can access an eprint of your published article on your personal author homepage at <http://authors.iop.org/>

Your username is: astaley

You will also be asked to enter your password, to ensure security of your personal data. If you have forgotten your password, you can request a new one here: <https://ticket.iop.org/lostpasswd>.

Please note that the eprint version of your article is for your personal use only. Full user terms and conditions can be found at <http://iopscience.iop.org/page/userterms>

Please add the above bibliographic information, along with an electronic link to the published abstract, to your web pages and any repositories or preprint servers where your article has been posted.

Thank you for your contribution to Classical and Quantum Gravity, and I hope you will consider sending your next paper to us.

Yours sincerely

Yasmin Oulab-Jacob
