Config is not available in stores
I will order 1 for both Zorro and PBI and ship directly to each property

It's a custom config / build to order (not available in stores).

I had Zorro & Palm Beach carts saved at http://store.apple.com/us/cart/saved_carts with the machine configurations. I just updated those carts to include the transfer cable sets (to avoid Jermaine type problems) as well.

is apple machine that you configured sold in stores? or must it be custom designed online?
please advise
thanks
