I would argue this is the wrong moment for bullying. You will be paid.

Seed and Adam have to finalize the release of the liens as the loan is in Adam's name. Those documents are under review.

please advise when payment will be made as previous email promised payment last week
jeffrey graciously offered you a 10,000 discount if note was repaid promptly
it is now almost 3 weeks since we began discussing repayment and no monies have been received
in addition to 10,000 discount jeffrey also has not received 2 months of interest totaling 5,283.15:

- 1) july 1 interest 2,699.96
- 2) aug 1 interest 2,583.19

please pay this note immediately
thank you

We have the following comment to the Settlement Agreement:

We think that Epstein should also release Seed Media Group as part of the Settlement Agreement and we think that Seed should be a named third party beneficiary with respect to such release.

If you can make these changes then pursuant to our signing off with Adam (and getting his direction to pay you) we can fund. I expect we can complete this next week.

Thank you

Vera
