I do not know about you but any work that I do it as a hard work!

Unfortunately, in matter of fact I am still in the office – which sucks big time.

I was referring about your work – but perhaps you are getting softer (re work ethics ;) with age – or just smarter.

[REDACTED] is finally turning legal ;)
Is it June 22?
It might be easier in July.

Perhaps Senegal is better than Kenya, if you insist on Africa – and Jee is a an honorary member/frequent visitor there. Croatia is even better. But it can be anywhere – from Paris to Jee’s island. Anywhere with two of you!
