Phil...thank you for telling my assistant to call back in half an hour....and as my luck would have it she called back in 45 minutes and you are not around.

Our bad timing. Now when can re reschedule this ridiculous game. Possibly you could call Gary Siegal's lawyers and ask where the estate tax filing is?

I assume there is a legal time table here. Could you get a bit more aggressive or is that not the game plan.

I am exhausted from begging your for information. I am busy too and beyond depressed about your treatment of me.

Peggy

There is nothing to report. They have not sent me any other information. I am buried with yearend gifting issues and of course the weather has been issue for staff and client meetings.

Thanks

Phil

Phil. I can only assume you have nothing to tell me...because it gets more difficult to understand why you can not return my call.

Possibly you can enlighten me with an email. I have a tremendous amount of pressure on my plate with my

company transitions and your silence does not help.

Try to have a bit of empathy and share the info.

Thank you. Peggy
