When is complete with my work sheets- which if done correctly would take him 3 + days. To get most items nailed down- but when he's done. Let me scrub his notes- like I did with Francis
I think I can get you to 80% good docs - IF - he actually dives into the project and really is attentive-
Francis I had come to my office and sit there for 8 hour and complete- then we did two more rounds- and your nyc house-
kitchen is easy- so go from there

You received the standard work progress sheet last night.
We are working on a more detailed sheet.
Today Karen is running the housekeepers through a standard work schedule. We are going to start to time each area to see how long it takes to clean.
I will be in my office tomorrow working on revising Steve's H. handbook and start to populate it with LSJ info.

please , report today on maid work, you should know where they are each hour and what they are doing. its only two people. telling me "at least they are not together" as they drive by together right behind you is awkward.
