sorry sorry I expect this natural disaster of a media shit storm will last the month. like a hurricane or tsunami, little can be done to effect it. if you stand up now , it is not without risks, the press only wants to complete its version of a salacious story , not hear the truth, so any denials will be met with a stronger wind of allegations . Unfortrtunatley I think after its over this time , and it will be,= again, we will need to assess damage and begin a strategy to rectify, modify, but it will not be the same. you are physically fine, as am I . I however recognize that that is little comfort at the moment. yes [REDACTED] did not check , she was trouble and a liar. and I told her in a nice way . the [REDACTED] is a fake,

I get it, just not doing so well today...

Lost my [REDACTED] opportunity, [REDACTED] asked for no ties, my [REDACTED] cancelled our mtng today, [REDACTED] is probably next. [REDACTED] just spent an hour talking to me on the phone about how he was advised to react when press confronts him. He was told by a crisis manager that it's a matter of time. And everyone is urging me to get a lawyer and speak out if the claims are really not true. Can't process it at the moment, little overwhelmed watching everything spin out of control again
