Could you send my best wishes to Jeffrey please?

Also, attached, my new album cover for the upcoming Deutsche Grammophon recording. Any constructive comments are welcome!  
(Obviously, my face will be seen at the CD bottom) :-)

Could you please check where will Jeffrey be on March 4th? If he could come to paris to the release concert at Theatre des Champs-Elysées i would love to have him be part of all that!

All best,  
Simon
