I don't know where EA got that idea. She and I have not discussed. As Brad mentioned, this has been put on ice

We are not filing for dissolution until jeffrey blesses it. He's waiting on a leon decision regarding phaidon. In the interim we are filing 2013 and 2014 taxes and 2014 charter house, statutory filing. On eileen resigning wait another week or so and maybe we'll get lucky and jeffrey will have the input he needs from leon.

Brad,

Will we still have Eileen resign as a Director of the listed entities (I have sent you the documents for signature)? She tells me that she thinks Rich is now planning to file the documents he has been holding on to since December that will dissolve these entities. Eileen signed those documents. If she resigns now—I am wondering whether those documents would need to be re-executed. What is the status of the dissolution? How do you want to proceed vis a vis Eileen?
