Exactly Sir,

Thank you.

This the level of detail I need and have to still acquireI tried to explain.

I would like to do this in order to complete the manual for Lsj ASAP in the detail that I spoke about before. It will take some time and i would like to stay there until it is done. When may I return to the island to do so in regard to your schedule?

As to outlines for each house and they will be covered in the areas that apply to them as outlined already. For example they will be covered in more detail in the housekeeping maintenance grounds keeping involved.
