Jeffrey, we are looking for the right look and right attitude persons as trainers for our US operations, as you remarked. We will be concentrating on the trainers to be pleasing and attractive both in appearance and technically. However, Jemima was not at all intended to be seen as a model or face for My 30 Minutes. She in her capacity as the Founder of the company is well aware of the technicalities of the machines and the training programs. And she was put out for answering initial queries and concerns about the machine and programs. Nevertheless, your point is well noted and I appreciate your frankness which is much valued.

for the states you need 3-5 young women or men , as examples. jamima is a nice person , but does not represent the idea of a finished product. each person has said to me, why should i try it , if the best you get is jamima. sorry.
