Jeffery,

I am always amazed with so much on your plate you find the time to respond so quickly! I am working round the clock operating [REDACTED] two locations in [REDACTED] and focusing my efforts in finding [REDACTED] locations in [REDACTED], building out [REDACTED], training and managing the opening of [REDACTED]. I don't know if I can effectively leverage my time between 2 states during the ramp up of a new area. However, I would not be surprised if there are changes to the franchise structure in the next year, that allows for the possibility of investor participation in developing areas as opposed to today's model which is 100% operators. In the meantime, I would love to speak further with you about the development of the [REDACTED] [REDACTED] [REDACTED], and keep you posted as to opportunities in NYC.

Have a great weekend.

Best,

Jeffrey,

It really was great that you had the time to catch up with me while I was visiting NY end of the year! It was nice to see you again! Thank you for the advice you shared with me in regard to the kids and my business opportunities. [REDACTED] has decided that he would like to graduate 6 months early his senior year (Feb of 2017) and come to NYC to find an internship or a job. My [REDACTED] [REDACTED] has offered for [REDACTED] to work for him, but I know [REDACTED] is trying to find something more in

the world of sports business/management. Any suggestions, leads or advice, I know [REDACTED] would welcome!

I am really excited to be building [REDACTED] franchise in the [REDACTED] [REDACTED]. I have opened one and are now in the build out phase of the second [REDACTED] in [REDACTED]. We are researching real estate possibilities in 9 counties as we have another 8 to open over the next 4 years. I know once [REDACTED] is done with school next year I will continue to have more time to grow this business in [REDACTED]. I have made the decision to pass on the franchise opportunity for NYC and focus my efforts, time and finances in developing the [REDACTED] [REDACTED]. At this stage I would like to communicate with you further about the possibility of financing opportunities/[REDACTED] loan for the continue development of this territory in a timely manner? I am happy to speak to you in more detail and share financial data on the operation of [REDACTED].

Thank you for your time and ongoing support!

Best to you,

[REDACTED]
