No surgery , silly , unnecessary , and too many in intended consequences. I need you alert and ready for a challenge , not hobbled

Sorry for all the typos .Sent from my iPhone

Hi there!
I guess I misunderstood from our last conversation?

I think I have forgotten how to dream. Honestly, I just am tired of being beat up.

Bill was supposed to meet with me later this month but had to change to may be August given his schedule and upcoming family vacation so there is not much from him. I know Boris is trying to schedule a meeting but not sure it would help anything or what i could possibly ask for or discuss.

Havent heard about the Gabon stuff but it sounds fun!

Miss you.
