Greetings Sir,

I will let John know that the revisions are approved, and you are requesting the electrical, water, air compressor plan/layout.

John will now prepare a Scope of Work for the steel building fabricators to prepare quotes for your review.

The Scope of Work for the Garage Roof buildings were sent out to 3 companies - Buck Steel, Allied Steel and MBMI.

Jimmy Fraguela recommended a company out of Miami called Capital Steel.

Do you wish for us to have all 4 companies submit quotes for the New Mechanical Building project, or do you wish to select one of the companies?

Respectfully, Daphne
