I have not included any mention of 144 month items,,
In order to obtain a price quote, Chevron has to give approval to Gulfstream in order to quote.
Do you wish to include?

Spoke to Josh
Here's What transpired,.

Chevron cannot come to Albuquerque to accomplish the TestFlight,
I informed Josh we have a reservation for March 6 and Westfield any earlier they could not accommodate,
***chevron called Westfield to check if they could take the aircraft early, Westfield told chevron March 6 is
the earliest they can start the prebuy,.

Chevron informs they will fly the G550 to Westfield Friday to arrive in he afternoon March 3, -
-they will keep their pilots overnight Friday night to accomplish the TestFlight March 4 Saturday,
-Sunday night, Chevron will airline their maintenance chief Who was responsible for taking care of 5173 to
Westfield, he will stay at Westfield until pre-buy is concluded.
-Monday, March 6 input maintenance meeting for pre-by inspection at 9AM,.

1-Josh requires our preBuy inspection work scope,.

2-gulfstream Westfield requires signature for Prebuy Contract to lock in the March 6th start date,, Gulfstream
requires deposit as well,, 50%
Pre-buy premium package is \$114k

3-Josh awaits PA signing this weekend,.

Pls advise if I should sign prebuy Premium package for \$114k? And whether these test flight dates work for
you?

Thx,
Larry
