Dear Mr. Kahn,

As the first part of my stay was in my eyes like I failed, I will prove to Mr. Epstein, to be a credible and excellent finishing tool for him. Now that I know what to do in his Library, the work will go faster and to the point.

First thing I will do is to eliminate the mold and discoloration of the wood, than will do the finishing.

Please let me know about your plans, and your schedule for me so I can finish this project.

I will work very closely with you this time, by sending you photos every day, so you can coordinate the work as well.

Thank you,

Brandon
