Sorry, started the morn with a call with MacFArLANes in London re simplification of Phaidon structure. Then went to meet with Richard Ressler and Barry Cohen. Came back and had Emilia, the senior editorial manager who will build the US biz and was here for her first day in the US was waiting for me and then stayed thru lunch. I then left to go to a meeting for a group for which I sit on an investment committee. We usually meet on Saturdays but they has asked me to assist in interviewing an investment consultant. I am at a different IC meeting this evening. Will be in all day tomorrow and available to speak. Although, I tried , I was not able to complete the financial summary last week. Sorry, just lots of time on Phaidon, the cfo was in for several days. I intend to do that tomorrow. Getting closer to the finish line with the CEO bit as usual it's a bit complicated. Remember, you always have my cell # to get me no matter where I am.
