Unfortunately, Neale is back to back and so we cannot make today work. Please let me know what might work for you next week and the week after.

My apologies but Neale had a meeting come up this afternoon so could we look at times on Monday that might work for this call?

Richard, today is troublesome as I am in a board meeting for the remainder of the day.

I'll ask Heather to find a convenient time for us to connect over the next couple of days. I am also copying Chris Lawler of our firm so he can join the call as well.

Thanks,

Neale
